LIVE UNITED

**United
Way**

United Way
of Mid Coast Maine
www.uwmcm.org

Thank You!

In 2008 you chose to be a leader in our community.

This past year we asked you all to **LIVE UNITED**, to think beyond yourselves, and to **GIVE, ADVOCATE,** and **VOLUNTEER** on behalf of others. Little did we know how deeply the people of our community would embrace that spirit. In challenging economic times, Mid Coast donors dug deeper into their own pockets to help their neighbors. Our **leadership challenge** match was extremely successful, leveraging over \$100,000 in new or increased leadership gifts. The campaign not only beat its goal, we went over the \$2 million mark!

Fundraising success makes possible individual human success through needed programs in our area. An estimated 20,000 local residents were helped by United Way's excellent 38 partner agencies last year. Our partner agencies provided **both immediate, urgent support such as food, shelter and health care, and preventive services,** to help our children, keep us healthy, and provide pathways for independence.

Our volunteer **Solutions Councils** also work to address root causes and create long-lasting community change in United Way's focus areas of: **Education, Financial Stability, and Health.** To **LIVE UNITED™** means being a part of the change.

As we continue to respond to changing times and issues, you can be assured our mission remains firm: *to improve lives by mobilizing the caring power of communities.*

Thank you for your support and for your example of leadership!

Sincerely,

Bob McCue
Board Chair

Barbara Reinertsen
Executive Director

Living United Means Helping Each Other in a Challenging Economy

United Way is working in new and continuing ways to help our neighbors who are struggling economically. From the basics of making sure people are **warm** and **fed**, to preventive services to help boost **education**, improve **health** and provide paths to **financial stability**, your United Way donation gives help where it is needed most.

Food Security. Mid Coast food pantries are struggling to meet 30–40% increases in

demand. United Way has worked to strengthen each pantry's capacity to meet this demand by bringing volunteers together into a regional Food Security Coalition. Food and dollar donations have increased.

Volunteers create the new **bornlearning™** trail located near the Bath Area Family YMCA.

Helping our children. United Way invests to help all Mid Coast children get the best possible start in life. Working parents are also helped by quality child care and **bornlearning™** tips for busy parents to help their children learn.

Winter Preparedness. Individuals, groups, and businesses responded to our call for a Winter Preparedness Action Program. Volunteers reached out to vulnerable neighbors, publicized available help, and winterized homes—**saving tens of thousands of dollars** in energy costs and keeping Mid Coast residents **safe**. United Way also contributed to **local emergency heating funds**.

Do You Need Help?

Just dial 2-1-1 for free and confidential referral to services that could help. Thousands of people who have never needed help before are calling this service, created by United Ways of Maine to connect people to help. If you need help, please call!

We ALL win when:

- Families are financially stable
- Children succeed in school
- People have good health

To everyone who gives, volunteers, and raises their voice on behalf of others—**THANK YOU** for **LIVING UNITED!**

UNITED WAY IS HELPING PEOPLE IN THIS CHALLENGING ECONOMY AND MAINTAINING OUR COMMITMENT TO THE FUTURE THROUGH PREVENTION:

"It is still amazing to me how quickly everything can fall apart, and I am grateful every day to be here now. I have not forgotten the compassion and guidance that I received back in 1995 from the staff at Tedford as well as the community that provides the funding for these resources to be available." ~ Candace

Dill and Kitty Paiste volunteering for Stamp Out Hunger in Bath.

Dill and Kitty Paiste

Loyal Contributors for 46 Years!

Dill and Kitty Paiste have been supporters of United Way since 1963. They began their giving through workplace campaigns in Massachusetts and now contribute as retirees here in Mid Coast Maine.

The Paistes are also active community volunteers. Dill serves on United Way's *Success By 6* Council and as a Board member for partner agency Family Focus. Kitty volunteers for Greater Bath Elder Outreach Network, also a United Way partner.

Both are active volunteers in the Mid-Coast Hospital Café and in various roles at the Phippsburg Congregational Church.

"All of our parents told us early on that we must always give something back to the community. Giving to the United Way accomplishes that goal in a multitude of different ways!"

The greatest legacy most of us will ever have is our effect on other people.

Last year, Endowment earnings were invested in our Food Security efforts.

United Way's Endowment Fund

Our **Endowment Fund** will create better lives for the people of Mid Coast Maine today and far into the future, by investing more in prevention and reaching more people than we are able to do with our annual campaign.

You are invited to keep changing lives for many years to come by making a contribution to the **Endowment Fund** today or by arranging a planned gift for the future. You can find more information about Planned Giving and United Way of Mid Coast Maine by visiting our website at www.uwmcm.org, by calling our Director of Donor Relations at (207) 443-9752, or by e-mailing: kathyc@uwmcm.org.

If you have included us in your will, we thank you and invite you to let us know your plans!

Ways to Give to the Annual Campaign

Steady Supporter—Monthly Giving Plan

Your total gift amount can be broken down into twelve payments that can be charged monthly to a major credit card, or debited from your bank account. Just check off this option on your pledge envelope or call us for more information.

Gifts of Cash

Cash is the simplest and most popular way to give. Tax benefits are available for gifts of cash if you itemize deductions on your tax return. United Way will send you a receipt in January for any cash gifts received during the prior calendar year.

Credit Cards

For your convenience, United Way of Mid Coast Maine does accept most major credit cards. You can provide this information on your pledge card or over the phone.

Matching Gifts

Check with your company to see if a matching gift program is offered for retirees and employees who make charitable contributions. This is a great way to enhance your personal gift to United Way.

Employee Payroll Deduction

Many workplace campaigns offer payroll deduction for area employees, making it easy to give each pay period.

Gifts of Securities

Donating appreciated stocks can be a very beneficial way to give to United Way of Mid Coast Maine. Whether you are giving to the **Annual Campaign**, the **Endowment** or you are making a **Planned Gift**, you may realize substantial tax savings by contributing stock instead of cash.

For more information on how to make stock donations, please contact Kathy Christensen, Director of Donor Relations, or John Washburn, Director of Finance, at (207) 443-9752.

My name is Tim Andrews.

I am the sous chef at Henry and Marty Restaurant. I LIVE UNITED by volunteering each week preparing meals for the soup kitchen. Giving back this way is very rewarding and I know I am making a real difference in people's lives.

GIVE. ADVOCATE. VOLUNTEER.

LEADERSHIP GIVING SOCIETY

2008–2009

Honor Roll

The keel is the foundation of a ship and the strength on which the rest of the vessel relies to cut through rough waters and face the obstacles that lie ahead.

It also represents the foundation and prosperity that ships, ship building and the shipping industry originally brought to Mid Coast Maine communities.

This connection to the early foundation of our community is the symbolism and inspiration behind the Keel Club.

Leadership donors are the core supporters of United Way and you are the foundation that makes much of our community work possible.

Membership in the society enables you to demonstrate your commitment to the region while enabling United Way of Mid Coast Maine and our partners to make positive changes in the lives of local people every day and continue to address our communities' most pressing needs.
