

United Way of Mid Coast Maine is in a unique position to bring people together—community partners, donors, and volunteers—to solve community challenges that not one organization can do on their own. Together, we can give kids the best start, build financial stability, and help everyone live healthy and connected lives.

Mission: To improve lives by mobilizing the caring power of communities.

Vision: A connected community where everyone belongs, has the resources they need, and can fulfill their potential.

Service Area: Brunswick, Harpswell, Lincoln, Knox & Sagadahoc Counties.

United Way of Mid Coast Maine:

- Is a locally governed and independently run non-profit organization led by a small staff and dozens of community volunteers. We have been a trusted community partner for almost 70 years.
- Helps non-profit organizations, schools, municipalities, and employers to respond to emerging and unmet community needs, meet their missions, and support their workforce.
